Ms. Charlotte Canelli, Director  
Morrill Memorial Library  
33 Walpole Street  
Norwood, Massachusetts 02062

Dear Ms. Canelli,

I would like to thank you for allowing the Morrill Memorial Library to serve as the field repository for the *Davis Avenue Fire Response Site Removal Action Administrative Record File*.

The Administrative Record File is a collection of documents that form the basis for the selection of a removal action. According to the Superfund Amendments and Reauthorization Act, the U.S. Environmental Protection Agency (EPA) is required to establish an Administrative Record field repository at or near the removal site.

Enclosed is an electronic copy of the Administrative Record File for the Davis Avenue Fire Response Site Removal Action, as well as the "Guide to Removal Site Administrative Records Maintained in Field Repositories".

Please call me at 1-617-918-1793, or contact me at [McKeown.John@epa.gov](mailto:McKeown.John@epa.gov) if you have any questions.

Sincerely,

John McKeown  
On-Scene Coordinator  
US EPA - Region 1
